FC Bayern München

FC Bayern München has heard the concerns raised by the Südkurve, and we take them seriousluy. Our fans are a huge part of our decisions and there concerns will not go to waste.

We will arrange a meeting with the board and the representatives andnthe result being publically open to all. We will review the president's decisions and our partnerships with other clubs, and share the findings with our members.

Bayern will protect the 50+1 model and the role of its members. If the review aConducted comes out not respecting the clubs rules or any relations with privately owned clubs action will be taken. We want to rebuild trust with our fans and keep Bayern financially strong.
